The school newsletter will be distributed to students and parents on-line beginning in September. A telephone message will notify you that it has been posted on the Dover Bay website [www.doverbay.ca/](http://www.doverbay.ca/). If you do not have access to a computer there will be some copies available in the office.

## I. PRINCIPAL'S COMMENTS:

Dear Parents and Guardians,

I am always amazed at how quickly the month of June passes us by. There are a myriad of school activities to fill up our days and evenings. These activities keep everyone very busy and highlight the year that has been. I would like to thank the many people who have coordinated some of these activities to congratulate the students who so richly deserve the recognition afforded by these events.

This year has been an amazing year and I want to acknowledge the students and parents at Dover Bay. I have observed a true caring for students and the community of Dover Bay. Upon reflection I think a defining moment was the Prom that occurred at Dover Bay and having over 100 parent volunteers to make an unbelievable event happen. It is these types of events that create a school and community. I would also like to commend the graduating Class of 2010 for their continued support towards Dover Bay and maintaining their respect towards Dover Bay, we completed this year without a grad prank that was hurtful, harmful or costly. Well done grads of 2010!!!

The school district's Learn @ Home program is again offering school in the summer for students who have been unsuccessful in specific core courses, who wish to upgrade their skills or who wish to take a course early.

In closing, I would like to congratulate all of the graduates. Further congratulations to the retiring staff members as they all move on to the next stages of their lives. Finally to all the students, have a terrific summer and I will see you next September.

Sincerely  
John Blain, Principal.

## CAFETERIA NEWS

Just a reminder that the cafeteria will continue to sell Meal Vouchers from the office for \$3.75. These vouchers will be good for either the salad bar or the weekly sandwich special. There is no cash refund value but if you would rather purchase the short order or main dish you can add cash to the voucher. These would be available in the office so that parents, if they so wish, would be able to send a cheque to the school to purchase a few at a time. This will ensure parents that their students are using their lunch money for "healthy choice" food in our cafeteria. Our school cafeteria is now designated as a "healthy school" with all food sold meeting the government's healthy school guidelines. (cheques payable to SD68)

#### SPORTS PARENTS ADVISORY COMMITTEE (SPORTSPAC)

The Dover Bay School Sportspac was recently formed in response to an appeal by school coaching staff for parental support in maintaining the school sports programs. As a result of changing budget priorities the sports program faces major challenges in the areas of program funding, as well as coach recruitment and retention. Through partnering with the coaching staff the Sportspac hopes to develop a proactive approach to support existing school sports and potentially provide resources for new programs. Our first meeting took place June 14th with six parents and Dave Nelson in attendance. We identified three areas of focus: Fund raising, coach and sponsor recruitment, and communication and education. We intend on developing projects in each of these three areas and will keep you informed of our progress. We will meet throughout the school year every third Wednesday of each month. All interested parents, teachers or students are welcome to attend. For more information please feel free to contact Bill Johnston ([williamj@island.net](mailto:williamj@island.net)) or Dave Nelson ([dnelson@sd68.bc.ca](mailto:dnelson@sd68.bc.ca)).

#### SUMMER CAMPS

Information on summer sports camps in and around Nanaimo is available in the atrium until the last day of June.
